Puppy is sold with:

- Full AKC registration with health guarantee
- Limited AKC registration with health guarantee
- Limited AKC registration with no health guarantee

General guarantee – Applies to all dogs.

Dog is purebred, pedigree is correct, litter is registered with the AKC.

Dog is healthy on delivery or pickup, has been de-wormed, vaccinated, examined by a veterinarian, and when shipped by air, comes with a Veterinarian health certificate.

Puppy's individual registration application will be provided when payment is made in full / secured, contract is signed, applicable requirements are fulfilled, and dog carrier is returned or paid for when applicable.

Any illness must be confirmed by a veterinarian within 72 hours of pickup or delivery. After that time, the health of the dog is the responsibility of the buyer.

Full AKC registration with health guarantee.

1. The dog is guaranteed to pass OFA hip examination no later than 2 ½ years of age.

2. The dog is guaranteed not to have any other genetic health problems.

If the dog does not OFA, or is determined to have some other genetic defect, it will be replaced with another dog of equal value.

3. Dogs are judged by the seller, at the time of sale, to have show or breeding potential only, and are not guaranteed to be showable or breedable at maturity.

These guarantees apply to the original purchaser only and are not transferable.

This guarantee becomes null and void if the buyer does not submit the AKC registration application to AKC within one month of receiving the form, or if the dog produces any offspring before hips and elbows have been x-rayed. The breeder/seller reserves the right to a second veterinarian opinion. All relevant veterinary records must be supplied to the breeder/seller upon request. When the cause of death is unknown, an autopsy must be performed.

Limited AKC registration with health guarantee

1. You cannot breed your dog. Evidence of spay or neuter must be submitted prior to receiving registration paperwork.

2. The dog is guaranteed to pass OFA hip examination no later than 2 ½ years of age.

3. The dog is guaranteed not to have any other genetic health problems.

If the dog does not OFA, or is determined to have some other genetic defect, it will be replaced with another dog of equal value.

If the dog is determined to have any genetic defect it will not be replaced.

Buyer's Agreements

1. Buyer agrees to register dog with AKC (or transfer ownership if the dog is already registered) within 1 month of receiving the form.
2. After, or up to a two week adjustment period, if the buyer chooses not to keep the dog for any reason, buyer agrees to return the dog to the seller without receiving a refund. Seller will handle shipping arrangements and expenses if any. (We care where all puppies end up and don't want them going to a dog pound or humane society to be euthanized, and prefer to find new homes for them.)
3. Buyer agrees to comply with all local ordinances regarding the keeping of dogs, in addition to providing adequate food, water, housing, immunizations, health care, and humane treatment for the dog.
4. If the option of Limited registration is selected, buyer agrees to have the dog spayed or neutered up to or within 6 months of purchase.
